

**“NO REPEAT GUARANTEE”
OFFICIAL RULES**

PARTICIPATION:

The “Majic 95.1, No Repeat Workday Guarantee” will begin Tuesday, December 26, 2017 and end on June 22, 2024, at 5:00pm.

To participate, listen on weekdays between 9:00am and 5:00pm. Should WAJI-HD1 play the exact same song, title, and artist more than once, the first caller at (260)-467-9500 will win \$1000.00.

A repeated song must be one that played earlier that same day within the time parameters specified and must play in its entirety for the money to be awarded.

There is only one winner a day during the guarantee.

The prize money will be awarded for the first song only that is repeated during the day. If multiple songs are repeated during a day, no additional money will be awarded.

WAJI will award the money after verification that a song has been repeated, and the 1st caller meets all eligibility restrictions.

If the 1st caller does not meet eligibility restrictions, the next caller will be taken until the money is awarded. If no money is awarded, it will remain the property of WAJI.

Once a song is repeated during the designated time, listeners to WAJI have 9 minutes and 51 seconds from the end of the song, to be the 1st caller.

Portions of songs that are featured in commercials, promos, sound bites and news clips are not considered a song that is repeated in the “No Repeat Workday” guarantee.

A song must play in entirety from beginning to end to be considered one full play. Portions of a song are not considered a song that is repeated in the “No Repeat Workday” guarantee.

Double audio of a song as a result of a technical malfunction does not qualify as a repeated song for the “No Repeat Workday Guarantee”. Even if the double audio of a song plays in its entirety from start to finish, a repeated song must play at two separate times during a weekday within the time parameters to qualify.

The odds of winning money depend on the number of calls received each time a song is repeated.

The No Repeat Workday Guarantee includes WAJI-HD1 but excludes channels WAJI-HD2 and WAJI-HD3.
